AMSAT NEWS SERVICE SPECIAL BULLETIN
ANS-119

The AMSAT News Service bulletins are a free, weekly news and information service of AMSAT, The Radio Amateur Satellite Corporation. ANS publishes news related to Amateur Radio in Space including reports on the activities of a worldwide group of Amateur Radio operators who share an active interest in designing, building, launching and communicating through analog and digital Amateur Radio satellites.

The news feed on http://www.amsat.org publishes news of Amateur Radio in Space as soon as our volunteers can post it.

Please send any amateur satellite news or reports to: ans-editor at amsat.org.

You can sign up for free e-mail delivery of the AMSAT News Service Bulletins via the ANS List; to join this list see: https://mailman.amsat.org/postorius/lists/ans.amsat.org/

ARISS-USA Volunteer Search

Amateur Radio on the International Space Station, Inc. (ARISS-USA) is seeking volunteers to support our mission:
To provide and operate Amateur Radio systems on International Space Station (ISS) and elsewhere to inspire, educate, and engage youth and communities in science, technology, engineering, arts, and mathematics (STEAM) and to support ISS backup communications. ARISS-USA, is a 501 (c) (3) charitable, educational and scientific non-profit that was recently incorporated in the state of Maryland in the USA.

We are seeking volunteers with a can-do, collaborative attitude who can work effectively as part of a team to support a variety of functions and roles. We have volunteer openings in several senior leadership roles, including:

Associate Director
Treasurer
Secretary
Director of Business Development
Director of Volunteer Resources
Director of Public Engagement
Director of Engineering

We also have openings for volunteers who would support functions within the

above teams as well as openings within the ARISS-USA Operations, Engineering and Education teams.

Descriptions of each of these roles are given in Article 8.6 of the ARISS-USA bylaws that can be referenced at: https://ariss-usa.org/wp-content/uploads/2021/04/ARISS-USA-Bylaws-Web-Site.pdf

Candidates accepted into senior leadership positions will be required to first serve in a six-month probationary period. All candidates for senior leadership positions must be U.S. citizens.

If you are interested in making a difference as an ARISS-USA team member, please send your resume or CV to candidates at ariss-usa.org. Include a cover letter that explains what position you are interested in supporting.

We thank everyone for your interest and support to ARISS!

Ad Astra! (To the Stars!)

Frank H. Bauer, KA3HDO
ARISS-USA Executive Director

ARISS-USA is an Equal Opportunity Organization and will not discriminate on the basis of gender identity, age, race, color, national origin, religion, physical handicap, disability or any other legally protected status

For more information about ARISS, see ariss.org

[ANS thanks ARISS-USA for the above information]

/EX

In addition to regular membership, AMSAT offers membership in the President's Club. Members of the President's Club, as sustaining donors to AMSAT Project Funds, will be eligible to receive additional benefits. President's Club donations may be made at https://tinyurl.com/ANS-PresClub.

Primary and secondary school students are eligible for membership at one-half the standard yearly rate. Post-secondary school students enrolled in at least half time status shall be eligible for the student rate for a maximum of 6 post-secondary years in this status.

Join AMSAT today at https://launch.amsat.org/

73 and remember to help Keep Amateur Radio in Space,

This week's ANS Contributing Editor,
